SUPPORT THE CHARITY THAT SUPPORTS ALL SOUTH AUSTRALIANS

St John is a charity that has been supporting the South Australian community through the provision of various first aid and community services for over 135 years. Today, a cohort of more than 1,000 dedicated and highly skilled volunteers carries out our charitable work.

Like for many, 2020 has been one of the toughest years St John has ever encountered. You may not know that hundreds of humble and selfless volunteers contributed thousands of hours of support to bushfire relief efforts across the state last summer, before the COVID-19 pandemic was even a thought in our minds.

Covering shifts around the clock for weeks and months on end, St John volunteers provided critical first aid support for firefighters and locals, treating burns and smoke inhalation, providing eye irrigation and more. On multiple occasions, the treatment and care from St John volunteers was the difference between life and death for our heroic firefighters. Stories and scenes from the bushfires have stayed with our volunteers long after the fires were put out. Despite the challenging circumstances, our volunteers continued to show up for the South Australian community.

THANK YOU FOR SUPPORTING THE CHARITY THAT SUPPORTS ALL SOUTH AUSTRALIANS. WE ALWAYS HAVE BEEN – AND ALWAYS WILL BE – THERE IN YOUR TIME OF NEED.
