Making a real difference in our community

St John is a charitable organisation that has been supporting the health and wellbeing of the Australian community for over 140 years. Our network is comprised of thousands of volunteers, staff and members who enable our high-quality programs and services and create positive impact in first aid, health, medical and wellbeing services. Together, we support countless Australians throughout diverse communities across the country. Our volunteers are everyday heroes that selflessly give their time to help others. Whether it's keeping people safe at events, providing lifesaving care, or supporting social connection and wellbeing, our volunteers are a vital part of our community. St John also has a thriving youth program, which empowers thousands of young people around the country with vital first aid, leadership and life skills. Beyond volunteering, St John also delivers industry-leading first aid training and equips countless households and workplaces with first aid kits and equipment. We are also at the forefront of increasing public access to defibrillators in communities across Australia to save lives from sudden cardiac arrest. With your support of the St John Christmas Home Lottery, we can continue to deliver our vital services and save lives.
